Roadwork to continue in Waialeale Subdivision from May 18 to May 21

KAPA'A – The Department of Public Works is announcing that GP Maintenance Solutions will continue with asphalt crack sealing roadwork in Kapa'a on weekdays from May 18 to May 21, weather permitting.

The scope of the work includes asphalt cracks cleaning, filling, and sealing.

Portions of the Waialeale Subdivision will be affected. Please see the map below for specific locations and be on the lookout for Road Work signs as this is a good indication that work is in the area.

Please make the appropriate arrangements to accommodate the necessary road closures. Street parking within the work zones will not be allowed and any vehicle left on the street in the work zone after 7:30 a.m. will be towed away at the driver's/owner's expense. Contact the Kaua'i Police Department at 808-241-1711 for towed vehicles.

The scheduled work times are from 7:30 a.m. to 5:30 p.m., Monday through Thursday.

For questions regarding this project, please contact John Kerston of GP Maintenance Solutions at 808-864-0323.
